

SILENCE  
THAN  
IS BETTER  
SCREAMING

Screaming out loud cracks  
pieces, oblong and bright,  
on a hot day  
scream is pleasure  
scream is delight  
scream is win  
scream is heard  
scream is justice  
scream is love

the scene into smaller  
like an ice cold popsicle  
scream is relief  
scream is fun  
scream is surprise  
scream is friends  
scream is community  
scream is peace

SCREAM ZINE
